Dear Employer,

This letter is to express my interest in the job posted  for an experienced, detailed-oriented, web designer. As you will see, I have 2 years of hands-on experience, efficiently designing websites and applications using modern HTML, CSS, and JavaScript and graphic designing using Adobe Photoshop, Xd and Figma and conduct testing on proposed Wireframes and Website layouts centered around users' needs.

Building and structuring cutting edge, simple to utilize, easy to understand websites and applications is really a dedication of mine and I am certain I would be an astounding expansion to your association. Notwithstanding my insight base, I effectively search out new innovations and keep awake to-date on industry patterns and progressions. This has permitted me to remain on top of things and convey uncommon work to the entirety of my clients, including those I've worked for on an undertaking premise. I've attached a duplicate of my resume specifying my experience alongside the duties I embraced during my residency in the individual organizations, additionally the links of the sites I structured and created with the group.

I can be reached anytime via my cell phone, 437-388-1668 or by email at mig1994.prabh@gmail.com.

Thank you for your time and consideration. I look forward to speaking with you about the opportunity.

Best Regards,

Prabhjot Singh
